Dataset	External data provider	Description	Spatial Reporting Unit	Spatial Extent	Temporal Reporting Unit	Temporal Extent	License restrictions
Smart Location Index	EPA	Smart Location Index, developed by EPA.					
Arts & Economic Prosperity	Americans for the Arts	National report of total expenditures, employment, and attendance for all arts venues in selected cities and counties	Municipality	Sample from large cities across the USA	1 year	2000, 2005, possibly earlier	None
SLCo parcels with distance to nearest amenity	SLCo Assessor; AGRC	SLCo parcels with additional fields indicating euclidean distance to nearest feature in a variety of amenity feature classes.	Parcel	SLCo	1 year	2011	None
Microdata	HUD	Characteristics of unit, lot, and neighborhood for a national sample of households.	Housing Unit (sample); HH (census geometry: )	USA	snapshot	odd years from 1999, then replaced by the ACS	None
ASU Southwest survey	Arizona State University	HH preference survey					Yes
Personal Current Transfer Reciepts	BEA	Government benefits paid out to individuals and households.	County	USA	1 year	1969 - 2011	None
Personal per capita income	BEA	Personal per capita income	County	USA	1 year	1969 - 2011	None
Consumer Expenditure Survey	BLS	Detailed survey on how consumers allocate their expenditures. Includes housing, transportation, food, and other categories. Based on daily, monthly, and annual consumption.	Household, coded by State (i.e. not geocoded to HH location	Sample from the entire USA	per variable: 1 day, 1 month, 1 year	2000 - 2010	None
LDV emissions model and supporting data	California Air Resources Board	Light-duty vehicle (LDV) estimated annual emissions by pollutant x Make/model x year; CA fleet composition	N/A	California	1 year	2012	None
Census 2010 Summary File 1	Census	All demographic data reported by the decennial census	Block, Block Group	Utah	snapshot	2010	None
Residential Building Permits	Census	Number and value of permits issued for residential unit construction	State, MSA, County, Census Place	USA	1 month, 1 year	1994 - 2011	None

## University of Utah Metropolitan Research Center Data Holdings

Dataset	External data provider	Description	Spatial Reporting Unit	Spatial Extent	Temporal Reporting Unit	Temporal Extent	License restrictions
County Business Patterns	Census	Employees, payroll, and establishments by NAICS industry	County	USA	1 year	2000, 2001	None
CoStar	CoStar	Building parameters (sq. ft. rents, building age, etc.) for large commercial buildings	Commercial building	Small set of mid-to-large metros across the USA	Snapshot of CoStart surveying a building, or recording a transaction	varies	Yes
Crosswalk	SLCo Planning	AECOM-produced normalized zoning codes for the entirety of SLCo (including municipalities).	contiguous developed block w. specific zoning	Salt Lake County	snapshot	~ 2010	Yes
Center for Transit Oriented Development	CTOD; John Renne	CRT, LRT, BRT stations with tabulations of demographic and commute attributes for 1/2 mi buffers around each station (from LED data).	BRT, LRT, CRT stations	USA	snapshot	present (2012)	none
Census Transportation Planning Package	Census	By-tract employment coded with NAICS; also origin/destination tract for commute flows	Census tract	USA	Snapshot	2000	None
Denver Housing Preference Surveys	Denver Regional COG	Denver Housing Preference Surveys					Yes
EPA air quality data	EPA	Criteria pollutant measurements					None
Smart Location Index	EPA	Smart Location Index, developed by EPA. Uses 5D's	Census 2010 block group	USA			None
Commercial Building Energy Consumption Survey	EPA	Microdata with values for building construction and HVAC attributes, and energy consumption	Commercial building	sample from entire USA			None
Residential Building Energy Consumption Survey	EPA	Microdata with values for building construction and HVAC attributes, and energy consumption	Residential building	sample from entire USA			None
Federal Reserve Fiscal Impacts models	Federal Reserve	Fiscal impacts models localized per Federal Reserve Bank	County	USA			None
Geolytics	Geolytics	Complete 2000 Long Form data in 2010 boundaries					proprietary at this scale

Dataset	External data provider	Description	Spatial Reporting Unit	Spatial Extent	Temporal Reporting Unit	Temporal Extent	License restrictions
Census of Government Finance	Census	categorized by-line budget expenditures	County; some larger municipalities	USA	1 year	1987, 1992, 1997, 2002, 2007	None
H+T Index	Center of Neighborhood Technology	Index measuring the combined costs of housing and travel	Census 2000 block groups	20 largest MSA's	1 year	2000, 2009	proprietary at this scale
Infogroup Business database	Infogroup	National coverage of business locations, with a variety of attributes including employee count and NAICS sector	Business location	USA	1 year		Proprietary; aggregate to reporting geographies
Intersections	TomTom	Points with a count of how many streets converge at this intersection	intersection	USA	snapshot	2006	Proprietary; aggregate to reporting geographies
Local Employment Database	Census	Employment counts by 2-digit NAICS; earnings in 3 wage bands	Census 2010 block	USA (no MA; 2002-2004 missing a couple other states)	1 year	2002 - 2010	None
NAR Surveys	National Association of Realtors	National housing preference survey					Yes
NAVTEQ streets	NAVTEQ	Summaries of overall road miles and lane miles by functional class	Census 2010 block	USA	quarterly snapshot	2011	Yes
National Land Cover Dataset	USGS and EPA	Land cover classification mapping vegetation, barren land, water and urban land cover.	30m Landsat pixel	USA	snapshot	1996, 2001, 2006	None
NOAA Climate data	NOAA	Climate data	MSA	USA			proprietary
FHWY 1995 Personal Transportation Survey	FHWY (USDOT)				1 year	1995	

## University of Utah Metropolitan Research Center Data Holdings

Dataset	External data provider	Description	Spatial Reporting Unit	Spatial Extent	Temporal Reporting Unit	Temporal Extent	License restrictions
Performing Arts	Census, USDA Natural Amenities, NOAA weather data, BLS LAU county, Woods and Poole, DanceAmerica, League of American Orchestras, Opera America, Table from AC Nelson	Data on number of companies, number of productions, revenues, etc. for dance, opera, and symphony companies.	MSA	USA	1 year	2000, 2010	Yes
RealtyTrac	RealtyTrac		ZIP	USA	2nd Qtr	Annually 2006 - 2011	Proprietary. Do not distribute at ZIP level
National Roads dataset	Tom Tom	Street centerlines; also intersection points coded by # of streets meeting there	intersection-to-intersection street segment; also intersection point	USA	1 year	2006	Proprietary. Aggregate to any Census reporting geography
SLCo Assessors Database	SLCo Assessor	Assessors databases. More recent years record more attributes of building and site.	Parcel	Salt Lake County	Annual snapshot	1996 - 2013	Proprietary. Aggregate to geographies larger than the parcel.
Ewing Sprawl Index	Ewing (MRC internal)	Sprawl Index	County; MSA	USA	1 year	2000, 2010	None
Urban Tree Canopy	USU RS/GIS Lab	vector polygons representing tree canopy; created from object-based image analysis	individual canopy patch	Wasatch Front	snapshot		none
Cropland Data Layer	USDA	Maps of crops in cultivation by crop, derived from classified satellite imagery and farmer surveys	30m Landsat pixel	Utah	Annual June snapshot	2008 - 2012	none
UT 2012 Housing Stated Preference Survey	WFRC	State-wide household level survey on housing preferences, sociodemographic characteristics	Individual person	Statewide sample	1 year	2012	Yes
Walk Score	Walk Score	Walk Score index as developed and produced by Walkscore.com	Census block centroid	All 2010 Census blocks within MSA's	snapshot	2012	Proprietary.

University of Utah Metropolitan Research Center Data Holdings

Dataset	External data provider	Description	Spatial Reporting Unit	Spatial Extent	Temporal Reporting Unit	Temporal Extent	License restrictions
Wasatch Front Green Infrastructure	WFRC	Regional green infrastructure	Parcel	WFRC planning region			
Woods & Poole	Woods & Poole						
Zillow	Zillow	monthly median single family home resale price	ZIP	Increasingly dense sample of the USA over time	month	1996 - 2010	Proprietary; do not expose at raw geographic scale
